

4 Stars “Highly Recommended”

“Crystal clear and clean. First whiffs after the pour detect deeply layered aromas of brown sugar, molasses, cocoa bean, vinyl, vanilla extract, and cinnamon – there’s a lot happening right out of the gate; several more minutes of air contact streamline this bouquet down to cocoa bean and vanilla. Entry is delightfully bittersweet and crisp; midpalate taste profile is intensely beany/caney, and off dry; there’s plenty of acidity that keeps the flavor and texture trim and non-oily. Finishes agile, bittersweet, and right on the money for a white rum with guts and elegance.”
